# A MESSAGE FROM THE BOARD CHAIR

I opened our first restaurant downtown in 2006 and today operate Crockett's Public House, Trackside Pizza and Meridian Café in the Puyallup downtown area, as well as Trackside Pizza in Sumner. We always believed in the value of the downtown core areas of both Puyallup and Sumner, both in their current forms as well as in their potential.

If you told me more than 15 years ago that I would one day serve on the board of directors for the Puyallup/Sumner Chamber of Commerce, let alone serve as chair, I wouldn't have believed you. In fact, for many years I repeatedly declined even to join the Chamber, despite multiple requests, because I wasn't convinced of its value.

What finally prompted me to join was an instance when the Chamber offered its help, even though I was not yet a member, and asked for nothing in return. That's when I joined the Chamber as a member and joined its board.

Since joining the Chamber and serving on its board for more than six years, I've seen the organization evolve and improve significantly. It's much more than a membership organization. It's moved on to a point where we aren't raising money merely to support the Chamber's existence, we are leveraging more and more opportunities to provide value-added services in addition to core functions. The Chamber's board of directors and staff are as strong as I've seen. These are people I want to work with. I'm inspired by them, and I'm eager to give back.

When asked to step into the role of chair, I was compelled to say yes. I've been able to see the volunteer work done by many of our community leaders over the years and I want to continue to support those efforts.

Along with a new board chair each year comes a new focus. Past chairs have focused on issues such as rebuilding the Chamber following a change in leadership, or on sustaining it through a pandemic. My "why" is a little bit different. With the benefit of a healthier financial position, strong leadership, a great staff and high-level community partnerships and influence, we can look inward and focus on getting our house in order. We aren't in survival mode from rebuilding or hanging on through the pandemic. We can take care of the little things, fine tune our procedures, analyze, strategize and strengthen.

I'm no longer the skeptic I was 20 years ago. I'm incredibly grateful to be a part of this organization and I'm grateful for the opportunity to help shape its future, 20 years from now and beyond.

Shaun Brobak

# NEW EVENTS, NEW PROGRAMS AND HIGHLIGHTS

## CITY 2 CITY TOUR

Our first City 2 City Tour brought together community stakeholders from our area on an in-depth, guided visit to Gilbert, Arizona last October. Formerly a farming community, Gilbert in recent years has seen its stock rise with regular appearances on national lists of best places to live. We've presented our findings at both Sumner and Puyallup City Council study sessions to date. We're planning our 2023 City 2 City Tour for October, and we'll visit Boise and Caldwell, Idaho.

Learn more on page 15 of this report and at [puyallupsumnerchamber.com/city2city](http://puyallupsumnerchamber.com/city2city).

## C-SWEET CHAMBER LIFE PODCAST

The C-Suite is Sweet! Tune in to the C-Sweet Chamber Life video podcast that candidly (and humorously) explores the journey of executives to the C-Suite. Find out what challenges and inspires them, learn about their leadership styles, and gain an understanding of the unique moments and mentors that have shaped their respective careers.

The C-Sweet Chamber Life video podcast is available on Podbean, Apple Podcasts, Google Podcasts, and many other platforms. We invite you to listen, laugh and learn with us! The series launched in 2022 and we are releasing new episodes in May 2023.

Learn more at [puyallupsumnerchamber.com/podcast](http://puyallupsumnerchamber.com/podcast).

## STATE OF THE CITIES

Debuted in January 2023, this new, annual event allows city leaders to provide relevant updates to all who live or work in the cities of Puyallup and Sumner. As our annual Economic Forecast Luncheon has evolved, we saw the need to move city updates to a separate, dedicated event. City officials, police, fire, school superintendents, and both mayors participated.

Learn more at [puyallupsumnerchamber.com/state-of-the-cities](http://puyallupsumnerchamber.com/state-of-the-cities).

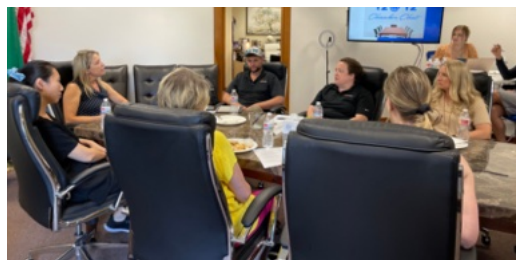

## PROMOTING OUR REGION AS A GREAT PLACE TO LIVE, WORK AND PLAY

We partnered with Livability Media to create an emerging, high-impact campaign on why our region is a great place to visit, live and work. We also published a community map and events guide with Town Square Publications. Both of these publications, made possible by generous sponsors and advertisers, will be distributed throughout the year in a variety of ways, including our visitor center, at hotels and at the Washington State Fair.

## 12@12 CEO CHAT

We kicked off this monthly event in early 2022, bringing together 12 members for a noon roundtable & lunch with our CEO. What issues keep you up at night? What challenges can the Chamber can help you solve? We've discussed a variety of topics including crime, supply chain issues, traffic and more, and we love watching our members connect with one another and help each other out as well.

# A MESSAGE FROM THE PRESIDENT & CEO

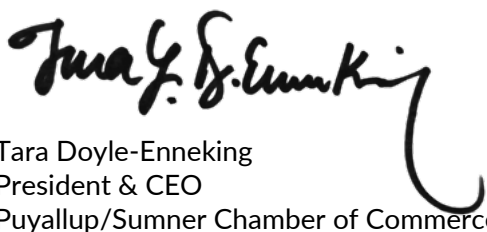

A community that *aspires* together *inspires* and *thrives* together.

**What are your aspirations?** In 2020, a pandemic set-back offered me a new perspective. I didn't know what I didn't know and was eager to know more. I embarked on my M.B.A. Executive Leadership journey graduating in November 2022. That experience reminded me that challenges are real and relationships matter. As a student I was brought to a level of empathy and understanding of what many business owners, managers, and those employees that are striving to climb the ladder feel on a regular basis. The stress, sleepless nights, and disconnectedness because of the solitude one must maintain to stay focused on achieving your goals did not feel healthy. I am not saying that my current role at the Chamber is stress-free, and without its set of challenges; however, pursuing my M.B.A. on top of it nearly had a tipping point.

What I am grateful for is the poignant reminder that many of you often experience this level of stress facing the challenge of balancing your career, family and all that goes into being the CEO of your business and your household. Without support and the benefit of nurturing relationships it's a grind that may not seem worth it in the end. As I think about the challenges our businesses face, often out of their control, I am grateful to be serving in a role that strives to ease these challenges and provide a community of support and services that make a difference.

Your aspirations are carefully guarded and supported by our Chamber staff and its members. Our board has cast a vision that places us in the critical role of advocating on your behalf, proactively anticipating the resources and services you need to grow your business and develop your leaders. Our community is not unlike a cohort in graduate school. Our aspirations are similar as we strive to make a name for ourselves, our business, and our community.

Let the Chamber be the welcome distraction you need to get out of your head, and sometimes out of your office. There are so many inspiring stories in our community if you listen and we are happy to be the storytellers. Lean into the Chamber relationships around you and you will find support. Join us at our events as you are sure to feel a surge of energy and a buzz about the room. Leverage the resources made available to you to grow your business and know that a community that aspires together, inspires, and THRIVES together.

## CELEBRATING OUR REGION'S

### *Agricultural Heritage*

Our fourth annual **Culinary Classic** is coming in November!

This premier South Sound foodie event spans multiple days, and will feature two distinctive wine events and a craft beer festival.

### Forks and Corks

New this year, Forks and Corks is an elevated culinary experience held at Farm 12 on November 10, 2023. Celebrity broadcast journalist and cooking show host Jen Mueller is our guide for the evening, featuring culinary pairings of wine from featured celebrity winemakers and a decadent five-course meal brought to you by Farm 12.

### The Great Grape Taste

A South Sound wine festival with over 20 winemakers and small bite offerings is being held at the Pioneer Park Pavilion on November 11, 2023. The Great Grape Taste will introduce you to many new varietals to tantalize your palate. Take advantage of The Great Grape Escape and book your special hotel stay for the two-day event, Forks and Corks on Friday evening and The Great Grape Taste on Saturday.

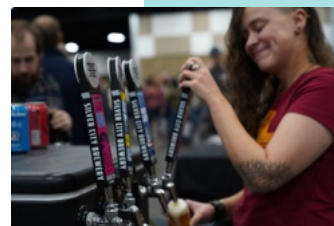

Don't miss out on Brewallup, our third annual craft beer festival!

A homage to the Puyallup Valley's hops heritage, Brewallup brings folks from all over to sample craft beer, munch on mouth-watering food truck fare, and enjoy live music.

Once again, we're joining forces with Puyallup's CaskCades to bring you one of the fastest-growing craft beer events in the Pacific Northwest.

Join us Saturday, November 4, 2023, at the Showplex on the Washington State Fairgrounds.

# GOVERNMENT AFFAIRS

## LEGISLATIVE COALITION

We are members of the **South Sound Chambers of Commerce Legislative Coalition (SSCCLC)**, collectively advocating for business and business-related policies impacting the South Sound region. Our shared lobbyist in Olympia, Carolyn Logue of Logue Public Affairs, keeps us informed with weekly sessions during the legislative session, as well as frequent updates at our Government Affairs Council meetings.

The Coalition enables our members to speak with a unified voice and it develops annual, unified legislative positions and associated legislative events and activities.

## STAY IN THE KNOW

In addition to our Chamber Chatter newsletter, we periodically send our Chamber Advocate newsletter, with updates and calls to action for pending legislation that may affect your business. Text PSCHAMBER to 22828 to subscribe to our email newsletters.

Vol. 16

PUYALLUP/SUMNER  
CHAMBER  
OF COMMERCE

From the desk of our CEO

As the Legislative Session has now reached its midpoint, we continue to provide testimony and register our positions on bills that are relevant to our business. We've signed on to multiple letters, including an Association of Transportation Business letter concerning the governor's proposed delays of several important infrastructure projects across the state.

Join us for **Legislative Day** in Olympia this Thursday

There's still time to join us this Thursday at our Chamber Legislative Day in Olympia

We're partnering with NFIB Washington for an event. Free, respectful day at our state's capital for our local business owners and representatives.

## BUSINESS ADVOCACY

The Puyallup/Sumner Chamber of Commerce advocates for businesses at the local, state, and federal levels to ensure a thriving business community and strong economic environment in our region.

Via the South Sound Chambers of Commerce Legislative Coalition (SSCCLC), we tracked 119 bills during the 2023 Legislative Session. We registered our support and opposition to various bills, signed on to letters with our coalition partners and Association of Washington Business (AWB), submitted testimony, and sent calls to action to our members.

For a summary of 2023 Legislative Session, with highlights, missed opportunities, and links to our local legislators' summaries, visit [puyallupsummerchamber.com/advocacy](http://puyallupsummerchamber.com/advocacy)

Chamber board director Kyle Hardtke provided testimony in support of HB 1363, police vehicular pursuits. Public Safety is one of our legislative priorities, particularly with more and more of our member businesses experiencing theft.

**BILLS TRACKED 119**

**BILLS SUPPORTED 27**

**BILLS OPPOSED 12**

## LEGISLATIVE PRIORITIES

Our 2023 Legislative Priorities reflect what we believe are the most pressing issues at this time.

- Transportation
- Budget and Taxes
- Support Small Business
- Ensure Continued Investments in Workers/Education
- Housing Attainability
- Energy and Climate Change
- Public Safety
- Health Care

Learn more at [puyallupsummerchamber.com/legislative-priorities](http://puyallupsummerchamber.com/legislative-priorities).

The Puyallup/Sumner Chamber of Commerce is a champion of business, advocating to ensure a thriving business community in Puyallup, Sumner and East Pierce County.

We work closely with public and elected officials in a variety of ways. Join us at our monthly Government Affairs Council meetings, held the first Tuesday every month via Zoom. Learn more at [puyallupsumnerchamber.com/gac](http://puyallupsumnerchamber.com/gac).

In March 2023 we partnered with NFIB Washington for an impactful day at our state's capitol. In addition to NFIB's speakers and panels, we were able to meet with our 25th District legislators, who took time out of their busy schedules to spend an hour talking to our members about what issues are affecting their businesses.

In the fall, we hold our Candidate Forum, allowing members of our community to learn more about candidates running for local office in Puyallup and Sumner.

Our annual Legislative Breakfast is held in December to preview the upcoming Legislative Session. Our panelists include our state legislators and Pierce County Council members.

# ECONOMIC DEVELOPMENT

## Making Key Connections

Krista Linden and her team accept the Champions of Commerce Award for Fika Cafe, honored as Newsworthy Newcomer.

“ I've spent the past 26 years completely focused on raising my 7 daughters and growing Step By Step and Farm 12. I didn't really know anything else, until I joined the Chamber. Since then, my world has completely opened up to the powerful economic engines around me, the connections to like minded people, and the encouragement and support needed to stay the course. Thank you to the Chamber for being a friend! ”

**Krista Linden**  
Farm 12 and Step By Step  
Puyallup, WA

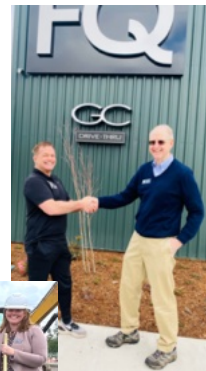

“ There were a few surprises along the way before construction began. We needed to be connected with key people at the city level to keep our project moving forward. The Chamber was integral to this process. ”

**Chad Cray & Greg Burd**  
Top Down Brewing Co.  
Sumner, WA

“ When I asked the Chamber for help, the next day I received emails and phone calls from the right people. We built our building because of the connections I made from the Chamber. ”

**Brad Swartz**  
Fitness Quest  
Puyallup, WA

## ECONOMIC & WORKFORCE DEVELOPMENT COMMITTEE

The Chamber's Economic & Workforce Development Committee works with our municipalities and other agencies to create resources for our members to aid them through the various aspects of doing business in Puyallup & Sumner.

The economic development managers for City of Puyallup and City of Sumner both regularly attend our committee meetings. Additionally, we've developed partnerships with WorkForce Central in order to connect our member businesses with workforce business solutions.

The Puyallup Sumner Chamber Foundation was established to promote education and training programs for area youth and professionals with the goal of enhancing the future of economic growth, leadership development, and to provide work source solutions and resources to the Puyallup/Sumner region.

# CITY 2 CITY TOUR

## CITY 2 CITY TOUR

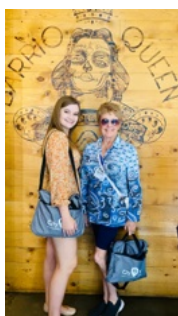

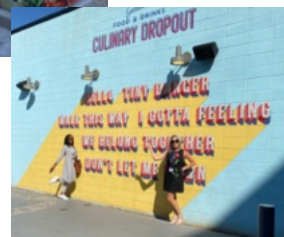

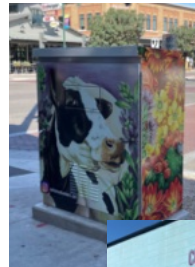

Our first City 2 City Tour brought community stakeholders from our area on an in-depth, guided visit to Gilbert, Arizona last October. Formerly a farming community, Gilbert in recent years has seen its stock rise with regular appearances on national lists of best places to live.

Going from the hay shipping capital of the world into a sought-after community to visit, live, work and play didn't happen overnight. There was a deliberate plan and process that began in the early 1980s.

Redevelopment of the town's Heritage District required collaboration among a variety of stakeholders, including the city, the Chamber, private investors, the business community.

The town bought in early, acquiring strategically selected parcels and working with developers and community leaders to actively recruit the right types of businesses to fit with the plan. The Heritage District offers ample dining and nightlife options, with plenty of walkable areas, streetscape lighting, artwork, outdoor dining and more.

Another highlight was our visit to Agritopia, a 166 acre mixed use community designed to promote village life. The community features homes, a working farm, commercial space, restaurant, mini grocer, community hall, maker space, winery, coffee shop, and retail.

We're planning our 2023 City 2 City Tour for October, and we'll visit Boise and Caldwell, ID. Learn more at [puyallupsummerchamber.com/city2city](http://puyallupsummerchamber.com/city2city).
